

## **CLIENT/SERVER/INTERNET DEVELOPER**

The Indiana State Budget Agency is looking for a Client/Server/Internet Developer. The successful candidate will have a bachelor's degree in Computer Science or related field, two or more years experience as a systems analyst with at least two years developing web applications using Oracle databases in a Windows and UNIX environment. Experience with PowerBuilder is also required. Previous experience with budgeting systems and deploying Client/Server and web-based systems in an Intranet environment are a plus. Experience with Oracle PL/SQL, Java, JScript and Microsoft IIS are also desirable.

Applications for this position will be accepted through March 11, 2005 at 4:30 p.m. Please forward your résumé and salary history to:
